

The first 'Tough Mudder' event was right at the beginning of the OAPA project to raise a bit of money and a lot of awareness. The awareness is now there so it's an opportunity now for companies to play a part and get muddy to raise money for Only A Pavement Away in London. Whether you're an apprentice or CEO you'll love it. Nothing bonds a team like mud! See you in the mud...it's the most fun you can have with your clothes on!

ONLY A
PAVEMENT
AWAY

Conference.

Each year Only A Pavement Away holds a conference bringing together all the partners with whom we work, to focus on our Members, and what we and society need to do to help those who have taken a wrong turn in life.

The line-up will include a guest speaker and a Government Minister, with an agenda that focuses on how we can help people back on to the career ladder, simultaneously plugging the recruitment crisis with people who have a real work ethic. The conference is free and relies on fund raising in order to support our strategy and brand.

ONLY A
PAVEMENT
AWAY

**STABILITY
THROUGH EMPLOYMENT**

**The charity for the employment of the homeless,
ex-offenders and vulnerable veterans into careers
within the hospitality industry.**

Only A Pavement Away runs five campaigning events each year, each of which are self-funding and do not impact on the assets of the charity.

The purpose behind these are:

- 1 To ensure those involved with Only A Pavement Away maintain a sense of empathy with those we're looking to support back into work whilst increasing our understanding of those who may have turned left instead of right in life.
- 2 To enhance both the brand and awareness of Only A Pavement Away.
- 3 To increase our donor base thereby giving us the finances we need to support our Members financially.
- 4 To contribute towards employing another Relationship Manager which will help us meet our targets.

Fill a Flask

The 'Fill A Flask' campaign is designed to distribute 6,000 thermal flasks, one to each person sleeping rough. The distribution timeframe is specifically targeted for the beginning of summer, a time when many rough sleepers need a cold drink, the flasks are extremely durable and can therefore be used throughout the year.

Winter Warmth

The 'Winter Warmth' campaign distributes items ranging from sleeping bags, coats and blankets to rough sleepers on the streets of the UK in November, when many rough sleepers are starting to feel the effects of winter biting in. It is estimated that c7,000 people will sleep rough during this period.

ONLY A PAVEMENT AWAY
COOK & DINE
COOK • SERVE • DINE TOGETHER

The **Cook & Dine** lunch showcases all that is great about hospitality and the power of working with everyone associated with Only a Pavement Away. The event shows that no matter what your background is, you can be part of a team in a great industry and pursue and develop a career.

The premise is simple: to bring everyone who works in the hospitality industry together, no matter their background, experience or seniority. No matter where you come from, who you are, you can cook together, serve together and eat together. Everyone comes together and Cook and Dine.
